Note: posters will be sent to the District Organiser, unless instructed otherwise below.

NOTES: Standard poster combinations:

- Snowdrop opening dates(s) will always be included in a separate poster.
- For only one opening, albeit a Specific Date(s) or Range of Dates or By Arrangement opening, there would be only one poster.
- If there is a Specific day(s) opening with Range of Dates and/or By Arrangement dates, then we would normally produce one poster highlighting the Specific Date(s) with the other dates included in smaller font.
- If there are multiple Specific Date(s) openings, there would be multiple posters following the above combining rule.
- If there is a Range of Dates opening with By Arrangement, then we would normally produce one poster for the Range of Dates with the other By Arrangement dates included in smaller font.
