

Open Pocket Gardens

Suggested Discussion Points

- What were the rules of the Pocket Garden Design Competition that you had to follow?
- How did you make your Pocket Garden more sustainable? e.g. Did you re-use anything? did you use peat-free compost?
- How is your Pocket Garden good for wildlife?
- Is sustainability important to you? Why?
- Who built and grew your Pocket Garden? Were you involved? If yes, what was the bit you liked most / least?
- Which plant(s) do you like best and why?
- What will happen to your Pocket Garden next?
- What would you like to ask visitors about their own gardening?
- What are you raising funds for with your Open Pocket Garden? Why did you choose this cause and how do you think it will help?
